Memorial Day,	100 00
Town Clocks,	60 00
Books and Supplies,	600 00
Paving Gutters,	500 00

The Selectmen also recommend that some action be taken in

regard to an economical expenditure of the moneys appropriated, and suggest that an amendment be made to the By-Laws whereby that object may be accomplished. In order that it may come before the Town in some form this year, we have put Article 40 in the Town Warrant for your consideration.

Respectfully submitted,

CHARLES A. WHITNEY,
IRVING B. SAYLES,
LEANDER F. HERRICK,

Selectmen of Millbury.

Paupers supported at Alms-house the past year :

John Crossman,	Patrick Collins,
Thomas Scanlon,	Michael Dumphy,
Mrs. Hiram Kenney,	James Booth.
Charles Smith,	

Average weekly cost for support of paupers at Alms-house the past year has been \$2.09 per week.

Present number supported at Alms-house :

John Crossman,	Thomas Scanlon,
Patrick Collins,	Charles Smith.
Mrs. Hiram Kenney,	

Burials the past year :

Child of a stranger—D. Mulhane.
 Thomas P. Riley—H. A. Ryan.
 George White's child,—H. A. Ryan.
 Charles E. Peirce's child—H. A. Ryan.
 Edna Beaudlew's child—D. Mulhane.
 Delia Mativier, age 31—D. Mulhane.

The Overseers of the Poor have to report that the town farm is in good condition. It has been well managed for the interest of the town, both in the house and on the farm. The stock and tools have been well cared for, everything in the house is clean and neat, especially the sleeping rooms, and the health of the inmates is cared for so that things are in a good sanitary condition.

We have aided during the past year 25 families, consisting of 96 persons and 8 single persons.

We have engaged the services of the present warden and matron for 1 year from March 1, 1891.

We ask an appropriation for the ensuing year of \$3,400.

Respectfully submitted,

JOHN BROADBENT,
 HENRY E. NEWELL,
 FREEMAN VANORMAN,

Overseers of the Poor.

ENGINEER'S REPORT.

1891.

Appropriation,	\$1,350 00
For Chemical Engine,	\$400 00
	1,750 00

Paid Bills, \$2,132 31
 For items of amounts paid out, see Selectmen's report.

The Department was called out three times during the past year.

Jan. 19, 1890—Was at the residence of A. J. Rice, on South Main Street, extinguished without the aid of the Department. Loss, \$15.00. Insured.

Oct. 12, 1890 — The block of F. K. Hodgman was entirely consumed with its contents. Damage on real estate, \$5,000.00, personal \$3,900.00. Insurance paid on real, \$3,887.00; personal, \$2,950.00.

Dec. 7, 1890 — Was a fire in a storehouse belonging to C. T. Aldrich & Co., the building with contents was a total loss. Damage \$1,200. Insurance \$1,000.

Jan. 25, 1891—A dwelling house belonging to Mrs. Lonetta Bartlett was entirely consumed. Loss on house \$500, contents \$400. The Department would recommend that the town purchase two hundred feet of hose the present year.

JOHN GEGENHEIMER,
 N. H. SEARS,
 T. A. BARROW,
 C. H. HAKES,
 THOMAS WINDLE,
Engineers.

INVENTORY OF TOOLS.

1 Road Machine, 8 Shovels, 2 Mattocks, 4 Picks, 1 Manure Fork, 1 Stone Fork, 3 Iron Rakes, 2 Hoes, 1 Bush Scythe, 1 Ice Chisel, 2 Branding Irons.

It will be noticed that the expenditures quite largely exceed the appropriations on several items of the foregoing account.

This resulted contrary to the best judgment and untiring effort on the part of a majority of the Board, who earnestly strove to keep within the amount of the appropriations, except as to the Main St. sidewalk.

The sum appropriated for this work would have been barely sufficient, with assessments upon abutting estates, to have con-creted the walk a thin coating, without street crossings or grading.

Inasmuch as abutting owners were willing to help defray the cost of a good job, and of curbing for a part of the distance, the Board decided to go to the expense of removing the trees which prevented a permanent walk being made for a part of the way, and grading and curbing to the extent as now seen.

The sidewalk on Riverlin Street ordered built at the last annual meeting has not been completed, the appropriation being entirely inadequate for the purpose. This sidewalk should be completed during the coming year.

A new road machine is imperatively needed in order to care for the roads of the town economically and in the best manner. We believe it will repay its cost in one year, in the saving made in labor and material, in the greater expedition of doing the work and the better quality of work done.

New guide boards are badly needed in various parts of the town, and we would recommend procuring *metallic* boards as more durable than wood, and costing about the same.

A new bridge is needed over the Blackstone River, at the P. & W. R. R. Station, and the town will have the matter brought before them for consideration by an article in the Warrant for the annual meeting this year. It is believed that an iron structure will prove more satisfactory than one of wood.

The hill near Lapham's Mill, and the hills on Canal and Elm Streets, are a continual source of expense, by reason of the lack of paved gutters. We recommend that these gutters be paved as rapidly as possible, and that a beginning be made this year.

The Board would recommend that the following sums be raised and appropriated for the purposes specified.

For a new road machine,	\$250 00
Guide boards,	100 00
Paving gutters,	800 00
Gowan bridge,	1,500 00
Completing Riverlin St. sidewalk,	250 00
Care of highways,	2,500 00
" bridges,	500 00
" sidewalks,	500 00

Road Commissioners.

MILLBURY, March 5, 1891.

REPORT OF THE TRUSTEES OF TOWN LIBRARY.

The Trustees beg leave to submit the following report :

During the year the Library has been open 142 days.

Number of persons taking books,	533
---------------------------------	-----

Number of books delivered,	9,935
----------------------------	-------

Classified as follows :

Fiction, 5,082 ; Juvenile, 2,956 ; Descriptions and Travels, 305 ; Poetical, 126 ; Educational and Scientific, 154 ; Literary, 149 ; Historical, 206 ; Biographical, 178 ; Agricultural and Mechanical, 39 ; Magazines, 540 ; Miscellaneous, 200.

The number of volumes now in the Library is 6,300 ; of these 506 were added the past year. The Trustees have also purchased about 275 volumes to replace those worn out.

The Trustees desire to express their sincere thanks to Rev. John L. Ewell for his generous contribution of the proceeds of a lecture delivered by him in the Town Hall.

We report the Library in excellent condition and only ask that the refunded Dog Tax be appropriated for the coming year.

IRVING B. SAYLES,
D. EDMUND MARCH,
JOHN HOPKINS, *Trustees.*

REPORT OF BOARD OF HEALTH.

The work of the Board during the year has been confined largely to correcting matters concerning which complaints have been made to them from time to time by citizens. These complaints have, for the most part, concerned faulty drainage, whereby adjoining householders have been injuriously affected. All such complaints have been investigated and such recommendations as seemed likely to correct the evils have been made. The recommendations of the Board have been generally cheerfully complied with.

In the month of July the attention of the Board was called by the State Cattle Commissioners to a case of glanders in a horse in the outskirts of the town. Acting under the instructions of the Cattle Commissioners, we caused the diseased horse to be killed and safely buried and the infected premises cleansed and disinfected.

No extension of the disease occurred.

Eleven cases of diphtheria have been reported to the Board during the year. No other contagious diseases have been reported.

Printed regulations for the prevention of the spread of contagious diseases were distributed among the various physicians of the town with instructions that they furnish copies to every family in which such diseases occurred, and requesting them to aid in the enforcement of the regulations.

Late in the year the Board received instructions from the State Cattle Commission requiring it to publish regulations regarding the control of cases of contagious diseases among domestic animals.

The Board are agreed that the sanitary welfare of the public requires the establishment and enforcement of regulations regarding a variety of matters, such as the condition of cess-pools, privy-vaults, cellar and yard drains, stables, swine-pens and slaughter-houses; the transportation of offal or other offensive and injurious matters through the streets or depositing such matters therein; the prevention of the spread of contagious diseases; the sale of unwholesome food; the control of contagious diseases among animals, etc., etc., and in this belief have prepared and had printed for distribution regulations covering these various points, a copy of which is herewith transmitted.

The Board believes it for the advantage of the town that its Board should join the "Massachusetts Association of Boards of Health," whose objects, as stated in its constitution are: "the advancement of sanitary science in the state of Massachusetts, the promotion of better organization and co-operation in the local Boards of Health, the uniform enforcement of sanitary laws and regulations;" and, since your Board serves without pay, it seems right that any expense attendant upon membership should be met by the town.

The action of the town at the town meeting holden in January indicates that a Board of Health is regarded as a permanent institution.

It is hoped that the citizens of the town will co-operate with the Board so that the best results may be secured.

GEO. C. WEBBER,
SAMUEL N. ROGERS,
JAS. H. FERGUSON,

Board of Health.

MILLBURY, March 2, 1891.

* Singletary Creamery Association,	37 50

* The Town voted to abate this tax for five years, but the Board of Assessors refuse to abate, saying said vote was illegal.

HERBERT A. RYAN,

Collector of Taxes.
